MASSACHUSETTS ASSOCIATION OF REALTORS®
HOUSING REPORTS SCHEDULE FOR 2010

In 2010, MAR will be releasing three sets of housing data. On the first Tuesday of each month, MAR will release pending home sales data (homes put under agreement to be sold). On the second/third Tuesday of the month, MAR will release its monthly Massachusetts REALTOR® Market Index. On the fourth Tuesday of each month, MAR will release its home sales data, which includes homes sold, median prices, inventory, months of supply and average days on market. Each of the reports features data from the previous month.
